ISLAMOPHOBIA AWARENESS MONTH

HIGHLIGHTS 2023
Dear supporters of IAM,

As we conclude Islamophobia Awareness Month 2023, I extend my heartfelt thanks to all of you who contributed to making November the biggest and most successful IAM campaign to date. Through a difficult and divisive time, your passion for sharing stories has left an indelible mark on our collective journey in tackling Islamophobia.

The impact of IAM goes beyond its numbers; it’s about the conversations we’ve started, the new faces we’ve met, the narratives we’ve reshaped, and the seeds of compassion we’ve planted. It is clear to see through all the IAM events that have taken place that our differences unite us, not divide us.

I urge all of you to help carry the spirit of IAM forward beyond the month of November. Let’s continue building bridges and creating a world where everyone can practice their faith without fear. Get involved with the work of Islamophobia Awareness Month now, and be a part of the solution.

The theme for 2023 was #muslimstories. The goal of this theme was to facilitate connections among individuals from diverse backgrounds, including both Muslims and non-Muslims, using the transformative power of storytelling.

To mark Islamophobia Awareness Month, our Muslim network recently hosted an event that looked to explore & understand the root causes and impact of Islamophobia, as well as how employers can support Muslim colleagues.

For Islamophobia Awareness Month, I spoke to @RayDawson about my experience as a British Muslim in politics.

Islamophobia exists in society, including in the Labour Party.

If we’re serious about tackling it, we need an independent review on Islamophobia within the Labour Party.
